

# Webinar Announcement

## **SRF American Iron and Steel Requirements**

### **Refresher Webinar: Focus on Manufacturers, Suppliers, and Contractors**

Join us at this upcoming webinar.

Date: Wednesday, March 13, 2019

Time: 2:00 PM – 3:30 PM EDT

Register at this link:

<https://register.gotowebinar.com/register/539448288913120257>

**We invite you to join us for a webinar to discuss the manufacturer, supplier, and consultant role in EPA's SRF American Iron and Steel Requirement.**

*This webinar will be presented by EPA's Clean Water (CW) and Drinking Water (DW) State Revolving Fund (SRF) programs*

**\*Please register in advance using the link provided above\***

**Technical Tips:** Once you register for the webinar using the link provided, you will receive an automated email from "webcastinfo." Please retain this email, as it includes a link for joining the webinar, information on webinar audio, an email contact for questions related to the webinar, and a link for more information on using Gotowebinar. If you do not receive this confirmation email shortly after registering for the webinar, please check your spam/junk e-mail folder. We recommend joining the webinar several minutes early to allow time to download or upgrade the Gotowebinar software. Please note that audio will be available on-line only, and that there is no telephone call-in number associated with this webinar. Please ensure that you are using a computer with working speakers or headphones prior to joining the webinar.
